Synergy Workforce

Synergy Workforce delivers quality, flexible staffing through to *fully managed workforce solutions*.

- 📌 Job-ready, quality candidates
- 📌 Extensive industry-specific talent pool access
- 📌 Active wellbeing and performance management
- 📌 Managed WHS performance

Synergy Workforce provides its clients with flexible workforce solutions to meet ever-changing requirements of the modern business through the provision of quality, job-ready flexible staffing through to fully managed workforce solutions.

We maintain extensive databases which provide both candidates and clients with access to the most current, efficient technology and techniques. Our Job-ready supply of suitably skilled and appropriately trained workers attract

repeat business and expands client bases. Our dedicated Workforce Management team proactively engages with clients and manages safety, quality and performance of our workforce.

With an extensive database of qualified candidates from various industries with diverse skills, Synergy People can also draw upon the National and International pool of candidates via our sought-after NPA membership.

All of our recruitment services are underpinned by *Synergy Jobfit*, our leading global people intelligence platform, allowing you to make more informed decisions about:

- Hiring the right people
- Driving performance
- Improving team dynamics
- Engaging, retaining and increasing wellbeing
